

Mr. Hartsock: In response to your letter date September 8, 2006,
and also per your instructions by telephone to our legal counsel,
I have filed an electronic version of Form 1 to show that the RGC PAC
is an "affiliated" PAC, thereby making our receipt of money from that PAC
as shown on our July quarterly report proper.

As you indicated to us on the phone, the electronic Form 1 shows it to be a
"new" form, but in reality, it is an amendment of our paper Form 1 from some
time ago.

I trust this addresses all of your concerns regarding our July quarterly report.
